2.1 Description of the company

SIA "ProfitSystem Export" is trading wood pellets and has a wide network of suppliers in Lithuania, Belarus and other countries. Their customers are the major European energy companies. The Organisation is trader without physical possession trading the wood pellets. Biomass is sold worldwide at different incoterm conditions. The organization holds a valid FSC certificate with transfer system implemented. The scope of the certificate cover wood pellets. Organisation is certified as broker without physical possession activities.

2.2 Detailed description of the Chain of Custody system

The organization has implemented the FSC transfer system with biomass (wood pellets) in the scope of the certificate. The process covers trade with biomass worldwide at different incoterm conditions. The FSC and SBP claim is mentioned on the sales invoices. The sustainability characteristics are mentioned on an annex to the invoice which always contains the number of the invoice as well.

3 Specific objective

The specific objective of this evaluation was to confirm that the Biomass Trader's management system is capable of ensuring that all requirements of specified SBP Standards are implemented across the entire scope of certification.

The scope of the evaluation covered:

- Review of the Biomass Trader's management procedures;
- Review of FSC system control points, analysis of the existing FSC CoC system;
- Interviews with responsible staff;
- Review of the records and calculations
- GHG data collection analysis;
- SREG data analysis.

4.2 Description of evaluation activities

The main evaluation audit has been conducted as remote audit as per SBP Covid-19 guidelines (COVID-19: Normative Requirements, 22 April 2020). The main evaluation audit has been conducted on 17 February 2021 starting with the opening meeting attended by SBP responsible person. During the meeting lead auditor introduced himself, provided information about audit plan, methodology and aim of the audit. CB's approval related issues and confidentiality issues were covered as well.

After that auditor went through all applicable requirements of the standard 4,5 as well as instruction document 5E covering management system, CoC, recordkeeping requirements, GHG data reporting. Later on the purchasing, sales and recordkeeping topics were covered. During the process the overall responsible person for SBP system was interviewed and the energy data collection and SREGs related issued had been discussed. During the closing meeting the auditor explained the results of the audit and further actions were discussed, the preliminary results were presented.

4.3 Sampling methodology

N/A

4.4 CB stakeholder engagement

N/A

4.5 Stakeholder feedback

N/A

5 Results

5.1 Main strengths and weaknesses

Strengths: The internal system is well organized, small number of suppliers, small number of the responsible staff simple management system.

Weaknesses: no weaknesses.

5.2 Rigour of Supply Base Evaluation

N/A

5.3 Collection and communication of data

Only SREG reporting is included into the scope of the evaluation.

5.4 Competency of involved personnel

The SBP responsible person has shown good understanding of the requirements in relation to SBP certification and of the FSC CoC system. As the company is the trader without physical possession and has only few persons, only one person is designated for SBP, who deals with all matters related to SBP. He has experience working in other company before on matters related to SBP.

6 Review of company's risk assessments

6.1 Overview of company's risk assessments and mitigation measures

N/A

6.2 Specified risk indicators and mitigation measures

Country/Area	Indicator	Specified risk description	Mitigation measure
N/A	N/A	N/A	N/A

7 **Non-conformities and observations**

N/A

8 Certification decision

Based on the auditor's recommendation and the Certification Body's quality review, the following certification decision is taken:	
Certification decision:	Certification approved
Certification decision by (name of the person):	Olesja Puiso
Date of decision:	18 Feb 2021
Other comments:	N/A
